

Listen and Learn English – Basic English Course 3 via Video

Link	https://www.youtube.com/playlist?list=PLp5zSGEKWyU7e5qniGH3XcxwL_47hX8c9
Description	<p>This video-based Basic English Course is geared for ELL adult learners but is appropriate for beginner English-speaking literacy learners who are focused on reading comprehension and writing.</p> <p>There are 70 bite-sized lessons and practice tests around 10-12 minutes in length that cover new vocabulary, speaking, listening, reading comprehension and writing.</p>
Media used	YouTube video
Watchability	Very Good. Very basic and clear. Teacher speaks very slowly and enunciates well. There are pop-up ads before and occasionally during the lessons.
Activities included	Teacher uses virtual whiteboard to write words and sentences, learners are occasionally asked to pause the video and do a writing exercise or to answer reading comprehension questions
Multisensory	Audio-visual with accompanying visuals (drawings, cartoons, demonstrations)
Language level	Beginner to Intermediate
Prerequisites	Navigate YouTube — close pop-up ads, adjust volume, use full screen, pause, move to earlier part of video
Recommended Learning Mode	Videoconferencing where learner shares screen, can be used independently on a smartphone, tablet, laptop or computer
Device compatibility	Laptop, tablet, smartphone, computer
Log-in/subscription	Not required
Cost	Free
Diverse Content	Yes
Canadian Content	No – US pronunciation
Tutor Comment	Independent learning is possible but learners would get the most of these videos with tutor support
