

Literacyworks – Multiple Intelligences Assessment

Link	https://www.literacynet.org/mi/assessment/findyourstrengths.html
Description	<p>This assessment consists of 56 questions that help your learner determine which intelligences are strongest for them. When they complete the assessment, they get descriptions of their top 3 intelligences and scores for the others.</p> <p>At the bottom of the results page, there is a "Practice" link that suggests tutoring strategies to engage each of the multiple intelligences.</p>
